Charles Saunders has commenced
painting Mr. Thayer's residence.

Indians are picking huckleberries on
the shores of Mullet Lake.

A \$2,000 Opera House is being built
at Harrison.

Born—August 6th, 1884, to Mrs.
Eugene Lamb, a daughter.

It is said that snow fell at Grand
Rapids on the 4th inst.

The salt crop of Muskegon for July
was 388,760 barrels.

Returned from Wisconsin—
The wife of Rev. C. E. Hill, of the
M. E. Church of Rosecommon, died on
the 6th inst., aged 88 years.

It is expected that nearly 1,000 old
soldiers will be present at the reunion
at Harrison, Ore. county, Sept. 4th.

The Vanderbilt Review, says that a
bear was killed on the railroad about a
mile south of that place on the 4th inst.

Greenville has nine barbers. We
have but one and a fraction. But the
boss is a daisy.

There were 227 bushels of huckleber-
ries shipped from Kalkaska during the
week ending Aug. 7th.

Miss Nettie Traver, who for the past
three weeks has been visiting friends
in Saginaw, has returned and reports
having a very pleasant time.

Rev. Forsyth visited Rosecommon
last week, to attend the funeral of
DAISY VIOLA, infant daughter of Mr.
and Mrs. W. B. Gillett.

Beecher vouches for Cleveland, but
who is going to vouch for Beecher?
Det. Journal. Mrs. Tilton, we sup-
pose.

Thos. White, Esq. of Alpena, made
us a short call on last Tuesday. He
was looking after Mr. Kelly's interests
in this section.

Mr. and Mrs. Masters, and Mr. Por-
chase and daughters, started down the
river on Tuesday morning intent on
catching grayling, or a cold.

All we ask is to give Hill's Buchu a
trial, and you will find that it con-
tains all the healing qualities it
claims.

The potato crop in Kalkaska coun-
ty will be very large this season. New
potatoes are now selling in Kalkaska
at 40 cents per bushel. Here they
bring 60 cents.

Deputy Commander, Van Geeson,
of Detroit, organized a Council of the
Knights of Columbus, at Grayling, on
the 2nd inst., with 22 charter mem-
bers.

Moses Newman, brother of A. E.
Newman, Esq., who has been visiting
in the southern portion of the estate has
returned, and we trust he will locate
here permanently.

David O. Connell, one of Salling,
Hanson & Co's camps received a
fracture of the left leg, last Friday,
and was brought into Sanderson's ho-
tel, where he is under the surgical
care of Drs. Traver and Thatcher.

Marsh's grist mill started up yester-
day. The first grist ground was from
Frank Curtis and weighed 65 pounds
per bushel.—Rosecommon News. Who
has saw the Grayling grist mill? It
does not seem to materialize to any ex-
tent, lately.

With every can of Electric Baking
Powder bought of Masters, you are
sure to draw a prize of a sugar bowl,
pickle dish, castor, napkin ring, spoon,
forks, etc., etc.

Lots of dirty shirts in West Branch
waiting for a laundryman.—Det. News.
Better send them to the News office
and have them washed. They cannot
be any dirtier than Cleveland's record
which they engaged in cleansing.

Departing. I had clipped a curl
that o'er her brow did hang;
She, smilingly, said: "You're like a
gun,
You go off with a bang."

At which I pressed her lips and cried:
"For punning you, you know;
But now I'm like a fisherman,
I go off with a snook."

Mr. and Mrs. R. Hanson desire us to
express their thanks to the citizens of
Grayling, for the attention, kindness
and sympathy shown them in their late
bereavement.

Rev. Geo. Burdon, of Grayling, will
occupy the pulpit at the M. E. Church
next Sabbath, morning and evening.
Rev. Forsyth will officiate for Rev.
Weir at Otsego Lake.

The last layer of stone was placed on
the Washington monument on the 9th
inst. It is now 500 feet high and the
workmen have commenced the erec-
tion of the framework for the roof.

Gleason Post G. A. R. will meet at
the Meador House, in Mio, on August
20th, to celebrate the first yearly anni-
versary of the establishment of the or-
der in Oscoda county.

To quit advertising in all times is
like taking away a dam when the water
is low. When taken picks up it will
rush by and be caught by those who
have held their customers by a judi-
cious use of printer's ink.

The Mio milling and manufacturing
company has bought a dam site and
will soon have a mill in operation.
The Grayling Improvement Association
have the choice of several loca-
tions, but as yet have done nothing.
What is the matter?

George Downs of South Branch,
with the aid of his republican neigh-
bors, will raise a Blaine and Logan
pole near his residence, on next Satur-
day, at 2 o'clock. P. M. M. J. Con-
nors is expected to "talk to the boys,"
after which a club will be organized.

The Hillman Inter, says: That a Mr.
Lindsey of that place, while accompa-
nying a Miss Reid to her school, was
confronted by a bear, who stood sev-
eral seconds trying to determine
whether the lady or her escort was
frightened the most.

Applications for charter have been
received for the establishing of Posts
of the G. A. R. at Farmington, Swartz
making 49 Posts since the meeting of
the state encampment six months ago.

And thus I made my maiden trip.
Though scarce removed from blind-
ness,
But kept fast hold, nor slipping my
grip.

On the "bank of human kindness,"
But tastes will change as years go by,
So pass the trifling fling,
With "Here's a health" to all who sell
"The Good Old Kalkaska Wagon."

The Northern Mail says that they
talk of having an Agricultural Fair in
Oscoda county, and advises the farm-
ers to give their pumpkins an extra
hoeing. If the frost was as severe in
that county as it was in this on Thurs-
day night, they can put off the
hoeing until next year.

What is the matter with our demo-
cratic brethren? A week has gone by
and no banner graces their pole, and
"Not a drum is heard, nor a bugle's
note,
As their course down the street is
hurried.
Not a democrat utters his usual war-
cry.
At the corners, where they often have
tarryed."

The Otsego Herald, says: That Emory
Barr has just put down a well on
his place west of town, in which he
tapped the nearly fount at a depth of
62 feet. The water is deliciously cool
and clear, and bubbles forth in endless
quantity. This is the first flowing
well we have heard of in this section.

Beneath a shady tree they say:
He held her hand, she held his hat;
I held my breath and lay right flat;
They kissed,—"I saw them do it."
He held that kissing was no crime;
She held her head up every time;
I held my peace and wrote this rhyme.
While they thought no one knew it.

Mr. Aaron Aten, of Beaver Creek,
brought in the first load of wheat this
season, and it was considered by judges
to be as good as ever was marketed.
Messrs. Salling, Hanson & Co. pur-
chased it and paid within three cents
per bushel of Chicago prices. They
will purchase all the grain that is of-
fered them. The farmers of Crawford
county should bring all the wheat they
have to sell to Grayling, as our mer-
chants will pay more than can be got
elsewhere. They will do this for the
purpose of encouraging our farmers to
increase their acreage of wheat, a
crop that there is no danger of its
failure. They will also keep a record
of purchases so that an estimate of the
amount raised can be made for use in
showing the adaptability of our soil
for raising wheat.

An editor is a man who is liable to
grammatical blunders, toothache, ty-
pographical errors and lapses of memory,
and usually he has ninetyseven thou-
sand people watching to catch him
tripping. He is a man of sorrow, ac-
quainted with grief and poverty, and
frequently liable to go ragged, hungry
and dry for a very long period.—Bel-
lairs Breeze.

FREDERICKVILLE, Aug. 5, '84.
EDITOR AVALANCHE:—Weather is
rather unfavorable for taking care of
the hay, but very good for nearly all
growing crops.

Berries—blue, black, and white, the ef-
fects of the dry weather, have revived,
and are now "just splendid." Gray-
lingites who are desirous of securing
an abundance of red raspberries can
find them "free for picking" on Dean's
berry farm one mile north of For-
rest. They will last nearly a fortnight
yet. After this year the berries will
not be free to all. Therefore take ad-
vantage of this opportunity.

Crops are unusually advanced and
promise an abundant yield. S. C. MIBB.

Knights of Columbus.

A Council of the Knights of Colum-
bia was organized in Grayling on the
6th inst., and elected the following of-
ficers:

Commander—N. Salling.
Vice Commander—F. Halley,
Councillor—T. Wheeler.
Secretary—J. C. Hanson.
Treasurer—J. F. Hum.
Steward—P. F. Thatcher.
Marshal—C. Saunders.

Guard—F. D. Robinson.
Notice of time of regular meeting,
will be given hereafter.

Ex-Mayor Cooper, of New York, has
resigned as chairman of the New York
democratic state central committee.
His health is the reason assigned. "One
by one the crosses fall, drop by drop the
jug runs dry."

DIED.
On the 7th inst., CHARLES C. infant
son of Mr. and Mrs. Rasmus Hanson,
of this city, aged 5 weeks.

For Sale or Rent.
I have two houses centrally located,
on Peninsula Avenue, that will either
sell or rent on favorable terms.
O. J. BELL.

For Sale or Rent.
A new house and lot conveniently
located near the center of the city,
well finished for sale or rent. In-
quire of—
SAMUEL HEMPELSTADT.

Public Notice.
I will sell all of my household and
kitchen furniture, consisting of stoves,
chairs, bed-lounges, bedsteads, looking-
glasses, tables, stands, etc., etc., at
private sale, for cash. Call and see
them.
July 31st JOHN W. JORDAN.

Take Notice.
That I am now prepared to do all kinds
of paper-hanging, papering, decora-
tions, and with promptness and dis-
patch.
Grayling, Mich. C. SAUNDERS.

Wood Wanted.
Bids will be received until Sept. 10th,
for supplying Grayling Hospital with
150 cords of wood. Specifications will
be furnished by mail, by applying at
N. H. Traver's Drug Store. Security
will be required for the fulfillment of
contract and the right is reserved to
reject any and all bids.

ROLLER GRAIN DRILL.
Appreciating the needs of our farm-
ers in the line of agricultural imple-
ments, particularly suited to our soil, I
have obtained the agency for the Rol-
ler Grain Drill, manufactured by Beck-
with & Lee, of Dowagiac, Mich.—It
has proved my faith in purchasing
one for use on my own farm, and can
be seen there, or full description can
be had at this office. I believe it
to be just what we want for our loose
soil, and far superior to the old-fash-
ioned drill.
O. PALMER.
